In case of the conviction of a licensee of two or more traffic offenses committed on a single occasion, such licensee shall be assessed points for one offense only and if the offenses involved have a different point value, such licensee shall be assessed for the offense having the greater point value.

Upon the restoration of the license or driving privilege of such person whose license or driving privilege has been suspended or revoked because of conviction for a traffic offense, any points that might previously have been accumulated in the driver's record shall be cancelled.

Whenever any licensee accumulates as many as seven points or accumulates as many as four points during a three-year period immediately following reinstatement of his license after a period of suspension or revocation, the Division may request the licensee to attend a conference regarding such licensee's driving record. The Division may also afford any licensee who has accumulated as many as seven points or any licensee who has accumulated as many as four

points within a three-year period immediately following reinstatement of his license after a period of suspension or revocation an opportunity to attend a driver improvement clinic operated by the Division and, upon the successful completion of the course taken at the clinic, three points shall be deducted from the licensee's conviction record; provided, that only one deduction of points shall be made on behalf of any licensee within any five-year period.

When a license is suspended under the point system provided for herein, the first such suspension shall be for not more than 60 days; the second such suspension shall not exceed six months and any subsequent suspension shall not exceed one year.

Whenever the driver's license of any person is subject to suspension under this subsection and at the same time also subject to suspension or revocation under other provisions of laws, such suspensions or revocations shall run concurrently.

In the discretion of the Division, a period of probation not to exceed one year may be substituted for suspension or for any unexpired period of suspension under subsections (a)(1) through (a)(10a) of this section. Any violation of probation during the probation period shall result in a suspension for the unexpired remainder of the suspension period. Any accumulation of three or more points under this subsection during a period of probation shall constitute a violation of the condition of probation.

(d) Upon suspending the license of any person as authorized in this section, the Division shall immediately notify the licensee in writing and upon his request shall afford him an opportunity for a hearing, not to exceed 60 days after receipt of the request, unless a preliminary hearing was held before his license was suspended. Upon such hearing the duly authorized agents of the Division may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the Division shall either rescind its order of suspension, or good cause appearing therefor, may extend the suspension of such license. Provided further upon such hearing, preliminary or otherwise, involving subsections (a)(1) through (a)(10a) of this section, the Division may for good cause appearing in its discretion substitute a period of probation not to exceed one year for the suspension or for any unexpired period of suspension. Probation shall mean any written agreement between the suspended driver and a duly authorized representative of the Division and such period of probation shall not exceed one year, and any violation of the probation agreement during the probation period shall result in a suspension for the unexpired remainder of the suspension period. The authorized agents of the Division shall have the same powers in connection with a preliminary hearing prior to suspension as this subsection provided in connection with hearings held after suspension. These agents shall also have the authority to take possession of a surrendered license on behalf of the Division if the suspension is upheld and the licensee requests that the suspension begin immediately.

(e) The Division may conduct driver improvement clinics for the benefit of those who have been convicted of one or more violations of this Chapter. Each driver attending a driver improvement clinic shall pay a fee of sixty-five dollars (\$65.00).

The limited driving privilege shall be issued in the same manner and under the terms and conditions prescribed in G.S. 20-16.1(b)(1), (2), (3), (4), and (5).

(e2) If the Division revokes a person's drivers license pursuant to G.S. 20-17(a)(16), a judge may allow the licensee a limited driving privilege for a period not to exceed the period of revocation. The limited driving privilege shall be issued in the same manner and under the

terms and conditions prescribed in G.S. 20-16.1(b)(1), (2), (3), (4), (5), and (g).
